SUBJECT: **AISC-AWS CWF Certificate**

Dear Ms. Colbert:

Thank you for submitting your annual **AISC/AWS** renewal application. Your support of this program and AWS services is truly appreciated

Your facility's Fabricator certificate number is **170217F**. Please note the expiration date is **February 1, 2018** one year from the date of issuance. Your previous certificate number [140714F] was retired and you were issued a new certificate number in order to provide a better expiration date. This change more accurately reflects the year, the month, and sequence of your CWF record.

We appreciate your continued support of AWS and the AISC/AWS welding fabricator program.

If you have any comments or questions, please feel free to contact me directly at extension 343 or email me at Email: jmartinez@aws.org.

Sincerely,

Jessenia Martinez
